

15-21 April 2012

Inspired to Stitch – Architectural Textures

During the week Wendy will help you explore ways of creating exciting effects with three-dimensional textile mediums, layered fabric, paint and stitch. Freehand Machine Embroidery and other skills will be explored as you develop initial samples into individual designs. Natural cottons, silks and linens will be combined in this exciting exploration.

Whether you are a novice or an experienced machine embroiderer this course will give you the opportunity to develop your individual skills.

Tutor: Wendy Dolan

Wendy is an experienced tutor and lecturer specialising in freehand machine embroidery. Architecture from around the world provides a continual source of inspiration for Wendy's textile designs. Wendy is a Fellow of The Society of Designer Craftsmen, a member of The Sussex Guild of Designers and Makers, the Embroiderers' Guild and on the Crafts Council Makers Index.
