Foldy Rolly Patchwork Pizzazz

Magical manipulation with fabrics for quilts and much more! Learn some unusual yet simple folding techniques and get to grips with those awkward piecing techniques, so that you can create perfect points in all your work. Incorporate these textured block designs in a range of projects from quilts and wall hangings, to cushions, bags and may be even construct a quag! Absolutely no previous experience required; these ingeniously simple yet fabulously folded novel designs are ideal for all stitchers of all abilities.

Tutor: Jennie Rayment

Jennie Rayment is internationally known for her quick, simple and inventive techniques with manipulated fabric. She is also a teacher of patchwork and quilting, with work exhibited in various galleries and at national shows. She has written many articles for magazine and quilt organisations and regularly appears at quilts shows as a featured speaker/tutor.
