

**20 – 26 May 2012**

## Little Landscapes

Create one or more curved, pieced landscapes using small and large-scale prints, with plain fabric borders. The pattern for the landscape will be provided, but you will use your own photos/pictures to inspire the colours and details, which can be hand or machine appliquéd, embroidered or painted. Finally, to add texture and movement you can use machine or hand quilting techniques.

**Tutor: Sheena Norquay**

Born in the Orkney Islands, Sheena did a B Ed degree (including two-dimensional design) and was a Primary School teacher for 30 years. She is now a freelance quilt teacher specialising in free motion quilting and also writes articles for magazines. Since the 1980's her quilts have won many awards both in this country and abroad.
